Dear President McVey:

I would like to take this opportunity to thank the doctors and staff at Meadowlands Hospital Medical Center for the extraordinary care they provided to me during my recent stay. I was able to experience firsthand the dedication and commitment the doctors and staff at Meadowlands Hospital have towards the quality of care they provide to their patients.

In addition, I would like to personally thank Dr. Peter Tsenovoy from the Cardiology Department. Dr. Tsenovoy has been tremendous in my follow-up care and monitoring. Furthermore, I am immensely grateful for his accommodation of my rather hectic schedule.

Once again, I truly appreciate all that was done by the doctors and staff at Meadowlands Hospital Medical Center during this delicate time.

If you require any additional information, please feel free to contact my office at any time.

Sincerely,

A handwritten signature in cursive script that reads "Angelica M. Jimenez".
